Plaintiff's Request that the Court Act as an Intermediary in
Settlement

Plaintiff Susan LaForest respectfully requests that the Court act as an intermediary between Plaintiff and the insurance company for Defendant S&C Automotive. Ms. LaForest and Defendant & its insurance company have reached a settlement agreement; however, the insurance company does not want to send a check without first receiving an original executed release, and Ms. LaForest does not want to provide an original execute release until the settlement check has cleared her attorney's IOLTA Trust Account.

There is a tentative agreement, however, that the insurance company could send the check to the Court and Ms. LaForest could

send the executed release to the Court. When the Court has both in hand, the Court could send the items to the appropriate party. Self addressed stamped envelopes would accompany the parties' submissions.

Respectfully submitted,

/s/ Jason David Fregeau
